

SPACE USE AGREEMENT

In entering into this agreement to use all or portions of the UUFM facility, we agree to leave the building and its contents in the same condition as we found them. We understand that our responsibility includes, but is not limited to:

- Bagging all trash and litter and placing it in the outside container
- Cleaning and re-shelving any food preparation or service items that are used
- Turning off all lights, and turning down the heat
- Insuring that all doors are locked
- Notifying one of the following in the event of an emergency:
 Dave Rice 507/388-5709
 Dennis Cramblit 507/388-8243

We understand that if we fail to meet any of these conditions, and, as a result, costs are incurred by the UUFM (e.g., cleaning), we will be responsible for reimbursing the UUFM, and that this money will be taken from our deposit.
